Spice readers cook up a great night with VictorsFood

[Thu 22/04/2010 11:20:37]

Spice Magazine rounded up a group of willing readers to taste test a night with [VictorsFood](#).

The event, held in Sydney had our group competing in two teams to create a menu that had mouths watering.

VictorsFood is a unique team building company which focuses on interactive cooking experiences to build your team, allow guests to experience the fun of cooking and celebrate and have fun.

Funktionalty's Fiona Rollings cooking up a fabulous flambé

Our readers came together from a variety of organisations to experience one type of product the organisation offers, a Masterchef-style challenge with a twist. The end of the evening saw our group sit down to a well deserved meal of chatter, laughter and awards for best team, best food and more.

VictorsFood offers these experiences with the added benefit of carbon footprint reduction as well as organic cooking options.

e-register combines event registration with event marketing.

Managing event registrations and promoting your event online just got a whole lot easier with the release of e-register - an online event registration program developed in Australia by digital media company SQUIDLdigital. [more...](#)
